

The week in pictures – June 16, 2019

By Maverick Life Editors • 17 June 2019

This week in lifestyle focuses on Tunis Fashion Week, which took place from 12th – 15th June, and the 96th Pitti Immagine Uomo in Florence, Italy – an annual event that focuses on men’s fashion and accessory collections as well as a trade show, allowing designers to launch new projects. With over 340 exhibitors from around the world, Pitti Immagine Uomo is seen to be one of the most prominent events in menswear fashion. Also in focus, the 73rd Annual Tony Awards and Art Basel in Switzerland: the first Art Basel was held in 1970 and now takes place three times a year, in Basel, Hong Kong and Miami.
