

What's New This Week, From Our List Members

BY THE EDITORS

December 15, 2021

New & Notable is a cultural catchall that highlights interesting new products and projects from our brilliantly creative members of The List. With new releases, events, and goings-on, the below moments indicate the power they have to move the needle in so many realms, including architecture, design, fashion, and art.

Patron Gallery

The forward-looking Chicago gallery entered Art Basel Miami Beach with their signature apartment-style layout to present works from an exciting group of up-and-coming artists. On display were works ranging from textured abstractions to overlaid geometries to nature-inspired canvases by Caroline Kent, Samuel Levi Jones, Harold Mendez, Jamal Cyrus, Samira Yamin, Carmen Winant, Jennie C Jones, Alex Chitty, Alice Tippit.
