Lorraine O'Grady: Cutting Out CONYT @ Alexander Gray Associates | Oct. 25–Dec. 15, 2018

Forty years ago, Lorraine O'Grady clipped the pages of Sunday editions of the New York Times (June 5–Nov. 20, 1977) and used the word fragments to create 26 collage poems. Cutting Out CONYT (1977/2017) revisits the original series. Each individual work is reimaged and refined and made into a new "haiku diptych." O'Grady says the new body of work "embraces the mysterious intertwinings of narrative and politics, post-blackness and blackness in a way that Cutting Out The New York Times could not accomplish or even imagine." She also has solo shows at [MFA Boston](#) and the [SCAD Museum of Art](#).
