MOVERS & SHAKERS

Global South-Focused Platform Veza 02 Opens – The platform South South is launching a hybrid physical and online selling exhibition with a focus on new media art, VEZA 02. Galleries will present video artworks at SP-Arte in São Paulo and new media art online at south-south.art. It has also announced a \$40,000 new media fund that this year enabled New York's El Museo del Barrio to acquire new works by Cuban American artist Coco Fusco and Dominican American artist Joiri Minaya.
